Address  
Somewhere, IL 60000

Cell: (217) zzz-xxxx

## EDUCATION

<b>Ph.D. Candidate</b>	Nutritional Sciences	University of Illinois at Urbana	GPA: 4.0/4.0	Date
<b>M.S.</b>	Microbiology	Great University, Mars		Date
<b>B.S.</b>	Microbiology	Great University, Mars		Date

## QUALIFICATIONS

- Over 6 years hands-on laboratory experience on NAME YOUR SUBJECT.
- Extensive experience on design, implementation and application of RESEARCH.
- Extensive experience in managing of laboratory with a budget of up to \$5000.

## SKILLS

### Leadership, Communications and Solving Problems

- Coordinated, planned and conducted training programs for engineers, lab technicians, operators and students.
- Successfully managed projects in changing environment.
- Wrote and verbally presented projects' results to managers.
- Wrote lab manuals according to ISO 9002.
- Efficiently troubleshooted the fermentation process, product quality and lab experiment problems.

### Computer-related and/Or Technical list categories and specializations

- MS Office, Statistical Analysis (SAS).
- Sensory evaluations using consumer and descriptive panels.
- Microbiological analysis of foods: Coli forms, *E.coli*, *Salmonella*, Molds and Yeast.
- Volumetric, gravimetric, colorimetric and spectrophotometric analytical methods.
- Microbiological experiments using test tube and plate cultures, shake flask, pilot plant and industrial fermentations.

## PROFESSIONAL EXPERIENCE

### Research -Research Assistant, University of Illinois 2004-Present

- Designed, planned and performed experiments to evaluate the effect of natural antioxidants on lipid stability and sensory properties of meat systems.

### Industrial

#### Microbiology Process Development Head, Sucromiles – Company name and location Date

- Assisted marketing development in projects that found new applications for citric acid, calcium citrate and calcium sulfate in food products.

#### Teaching Assistant, University of Illinois at Urbana Date

- 

*OTHER JOB LISTINGS as needed*

## PUBLICATIONS

- List chronologically backwards

Submitted

- 

## SELECTED CONFERENCE PRESENTATIONS (4 of 10)

- 

## AWARDS and ACTIVITIES

- Prestigious Research Award, June 2007.
- Coordinator of department seminar series, dates
- Mentor of middle school child, dates
